Pavilion dm4-1275ca Notebook PC

Leave nothing behind.

The HP Pavilion dm4 notebook gives you the performance of a powerful PC without weighing you down. Less than 1" slim and starting at 4.4 pounds,[12] this lightweight notebook offers the latest technology with style that's sure to attract attention. If you need a PC that can keep up with you, grab the HP Pavilion dm4 and go.

Windows®. Life without Walls™.
HP recommends Windows 7.

Loaded, yet lightweight.

Powered by the latest Intel® Core™ processors, the Pavilion dm4 offers unbelievable performance in a thin, lightweight notebook. Carry everything you need in the spacious hard drive. With three USB ports (one shared with an e-SATA port), you'll be able to connect to all your peripherals. The built-in HP TrueVision webcam[15] with integrated dual-array digital microphones lets you video chat even in low-light conditions. Built-in HP ProtectSmart Hard Drive Protection helps prevent data loss in the event of an accidental fall. And the integrated fingerprint reader and HP SimplePass Identity Management software provide a quick, easy and secure way to access your favorite websites with a single swipe. Features you won't want to live without include a 14.0" diagonal high-definition HP BrightView LED display.[8] When you want a larger view, the VGA port lets you connect to an external display and the HDMI port to an HDTV. With the built-in DVD+/-RW optical drive, you can enjoy movies on your PC when you're on the go or by connecting to a bigger screen at home.

- Intel® HD graphics are made for the way you play.[6] [8]
- Intel® Core™ i5 processor[3] with 4-way Multi-Task Processing makes it faster to work on multiple applications at the same time by allowing each core of your processor to work on two tasks simultaneously. When your PC needs extra performance, the new Intel® Turbo Boost Technology[3b] automatically speeds up your processor.
- Intel® Wi-Di ready to wirelessly stream your photos, videos and other PC content to an HD TV. [36]
- Get up to 6 hours and 15 minutes of life with the 6-cell 55WHr Li-Ion battery.[28]

Travel without baggage.

The Pavilion dm4 notebook is slim and light enough to turn any table, airplane tray, or park bench into an instant workspace or playground. Designed to deliver extended battery life through power-efficient components and HP Power Manager software, you can go where you want to without plugging in. To make the best use of your time, HP QuickWeb launches the web and frequently used apps within seconds at startup. And with integrated WiFi,[10b] you never have to feel out of touch.

Just your style.

A brushed aluminum finish etched with the stream design gives the ultra-thin dm4 a modern look you'll love -- and one that won't show fingerprints. The comfortable, responsive island-style keyboard makes it stand out -- along with the generously-sized, gesture-enabled HP Clickpad that integrates the left and right buttons for a cleaner aesthetic.

Digital entertainment that moves you.

With Dolby Advanced Audio and integrated Altec Lansing speakers, you can surround yourself in sound--when you're watching movies, enjoying tracks from your own collection you'll hear the difference.

Enjoy PC content on your HD TV wirelessly

The dm4 features Intel® Wireless Display so you can sit back and experience your favorite videos, photos and music on your HD TV. Stop crowding around a laptop screen! Intel® Wi-Di[36] lets you view content from your dm4's hard disk, your home network or anywhere a browser will take you on the biggest screen in your home. Connection is a snap: Simply connect a Netgear Push2TV Adapter to your TV's HDMI or composite A/V input, follow a few steps, then start sharing with a push of a button.

Relax With 24/7 Support

Enjoy the lifetime use of HP Support Assistant to keep your PC up to date, troubleshoot problems, and get assistance when you need help. While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer: [32]

- **From your desktop:** Click the HP Support Assistant icon for quick access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English at www.hp.com/support/consumer-forum or French at http://www.hp.com/fr/assistance/forum. In Canada, go to www.hp.ca/totalcare.
- **By telephone:** In Canada., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service plan. Visit www.hp.ca/totalcare for your choice of plans.

If your PC is out-of-warranty, you can use the self-help assistance options of HP Support Assistant to help you find an answer or solve your problem. One option is to visit the Consumer Support Forum (www.hp.com/support/consumer.forum) at no charge. You can also call 1.800.HP.INVENT (1.800.474.6836) within Canada. (Support charges will apply.)

ecoHIGHLIGHTS

Pavilion dm4-1275ca Notebook PC

As a leader in environmental responsibility, HP is committed to reducing our impact on the earth. Renew, recycle, rethink with HP.

- ENERGY STAR® qualified products

[1] Microsoft® and Windows® are registered trademarks of Microsoft Corporation.This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[2c] 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. See www.intel.com/info/em64t for more information. Dual Core is designed to improve performance of certain software products. Check with the software provider to determine suitability. Not all customers or software applications will necessarily benefit from use of this technology. [3] Intel's numbering is not a measurement of higher performance. [3b] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information. [4] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [6] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. [6d] Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. [7] 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 20GB of system disk is reserved for system recovery software. [8] High-definition (HD) content required to view HD images. [9] Actual speeds may vary. [10b] Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. [12] Weight will vary by configuration. [15] Internet access required and sold separately. [15a] This is a 30-day trial for 100GB of storage. After 30 days there is a fee associated with the service depending on storage needs or 2GB of storage for free. [17a] Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. [19b] Internet access required. First 60 days included. Subscription required for live updates afterwards. [23] Meeting the evolving definition of "BFR/PVC-free" as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen' Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. Power supply and power cords are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. WWAN is not BFR/PVC free. [25] Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and sold separately. [28] Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark www.bapco.com /products/mobilemark2007 <http://www.bapco.com/products/mobilemark2007> for additional details. [32] Support options are subject to change. [34] Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite; available at participating resellers/retailers and www.office.com. [36] Requires separate purchase of a Netgear Push2TV adapter and an HD TV with HDMI or composite A/V input. [38] Internet access required and not included. This PC includes a FREE 30 day subscription of Norton Online Backup. To activate, simply click on the Windows Start button and launch Norton Online Backup.
